## **Methodology**

### **A: 2 Outcomes Expected**

For MH C&A consumer with one or more non-denied eligible claims in the one year reporting period, at least 2 Parent Ohio Scales forms over time are expected.

- Eligible claims are the claims for
  - Assertive Community Treatment (ACT-Clinical & Non-Clinical),
  - Intensive Home Based Treatment (IHBT-Clinical & Non-Clinical),
  - Community Psychiatric Supportive Treatment (CPST),
  - Behavioral Health Counseling and Therapy (BHCT),
  - Partial Hospitalization (PH),
  - Pharmacologic Management<sup>3</sup> (PM),
  - Employment/Vocational (EV),
  - Social & Recreational (SR),
  - Occupational Therapy (OT), or
  - Adjunctive Therapy (AT)
- Those clients who did not meet 2 point compliance were excluded from the expected list if:
  - They had received an Adult Consumer or ASI form from the provider in that reporting year or
  - They were new clients who were served for <180 days
- New clients who were served for >=180 days were added to the expected list
- New clients are the consumers seen by the provider for the first time in that one year reporting period.
  - Consumers returning for another episode or with continues treatment from last year are included in old clients.
- If at least 2 parent forms were received for a consumer when not expected, they were added to the expected list.

### **B: 2 Outcomes Received**

At Least 1 Parent form received in the one year reporting period & another in or before that one year reporting period.

### **C: 2 Point Compliance (=B/A)**

Two point outcomes received divided by total two point outcomes expected.

### **No 2 Point Compliance but Outcomes Expected**

- D: Old clients with only 1 Parent form so far (the one received is in the one year reporting period)
- E: Old clients with no Parent form received in the reporting year
- F: New clients with only 1 Parent form received & LOS >=180 days
- G: New clients with no Parent form received & LOS >=180 days

### **No 2 Point Compliance and Outcomes not Expected**

- H: clients who received an Adult Consumer or ASI form
- I: New clients with only 1 Parent form received & LOS <180 days
- J: New clients with no Parent form received & LOS <180 days

### **K: No 2 Point Compliance with Parent Form, but 2 Youth forms Received**

- These are the clients without 2 point compliance with Parent form for whom at Least 1 Youth form received in the one year reporting period & another in or before that one year reporting period.
- These clients are added in 'Two Outcomes Received' for combined compliance.

### **L: Combined 2 Point Compliance (=B+K)/A)**

Two point outcomes (Parent forms or Youth forms if no 2 point outcomes with Parent forms) received divided by total two point outcomes expected.
